CHINESE PAVILION

Client : M/s. CCPIT-China Council for the Promotion of International Trade

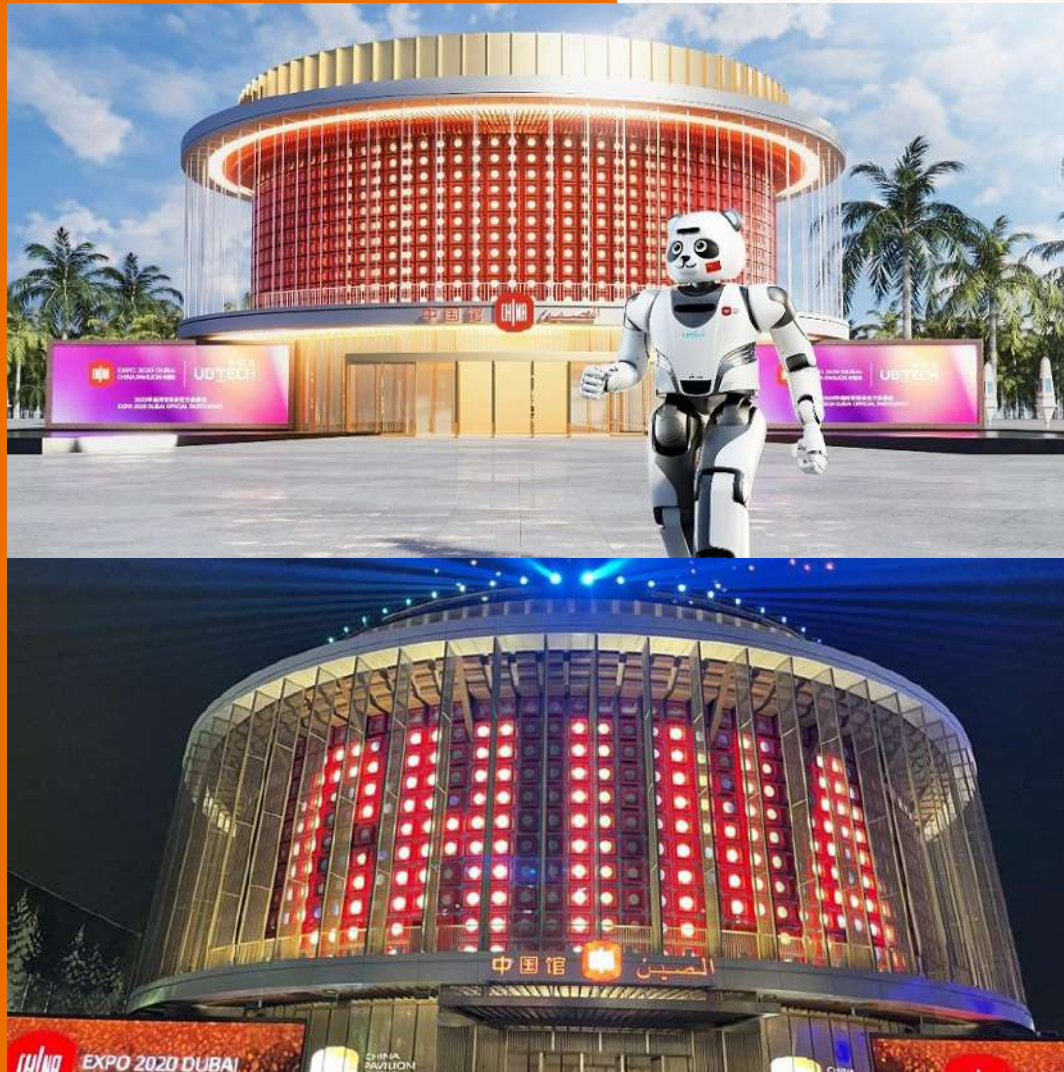

Consultant : M/s. National Engineering Bureau Architecture & Engineering Company

Main Contractor: M/s. Al Ahmadiyah Contracting & Trading LLC

MEP Contractor: M/s. Build Up MEP Electromechanical Works LLC

The China Pavilion, constructed following the philosophy of "mixing of Chinese and Western culture with Chinese culture at the centre," represents optimism and a bright future.

Build Up has the contract for the Electrical & Mechanical Engineering, including Plumbing, Firefighting & Fire Alarm services. We ensure that the work is done properly.

SPAIN PAVILION

Client : M/s. AC/E (Sociedad Mercantil Estatal De Acción Cultural, S.A.)

Spain

Consultant: M/s. Temperaturas Extremas Arquitectos/Wanders
Werner Falasi Consulting Architects

Main Contractor : M/s. Rimond Middle East General Contracting LLC

MEP Contractor : M/s. Build Up MEP Electromechanical Works LLC

The Spain Pavilion is an exhibition and trade centre in Sidr Avenue, Dubai. The Spain Pavilion aspires to be a model of intelligent creation, capable of bringing people together around projects in science, technology, education, and the arts.

Build Up has ensured all the MEP work in the building with 6,000m² of iconic force, sustainability, and design. The area is encircled by imposing cones that serve to cool the public space. The idea intends to give the building a second life by repurposing the venue or part of its components in accordance with circular economy principles.

LYCEE THEODORE MONOD SCHOOL

Client: M/s. EDIT

Consultant: M/s. Consulting Engineering Group LLC

Main Contractor: M/s. Prompt Steel Building & Contracting

Lycee Theodore Monod School is located at Sector SDN-Plot 15, Saadiyat Island, Abu Dhabi. It is one of the Association Franco-Libanaise pour l'Éducation et la Culture's five schools. It first opened its doors in 2003. In 2016, 29.8 % of students were French, 3% were Emiratis, and 67.2 % were from other countries.

Build Up ensures the proper plumbing, mechanical, and electrical work through our amazing MEP Services.

NESTLE WATER FACTORY

Main Contractor: Prompt Steel Building & Contracting

Consultant: Capital Engineering Consultancy

The project consists of PET and HOD Production Lines, Water Treatment Facilities, Raw Materials and Finished Products Warehouses, Office Building, Boundary Wall, Guard Rooms, Substation, Pump Room & Underground Tank, and Logistic Office & Utilities on the total plot area of 43,502 m².

ITTIHAD PAPER MILL FACTORY

Client: China Light Industry International Engineering Co. LTD

Consultant: Consulting Engineering Group – Coengr

MAIN Contractor: China Light Industry International Engineering Co. LTD

Ittihad Paper Mill (IPM) is the first printing and writing paper production facility in GCC.

IPM is focused on catering to the growing regional demand for paper products that is currently reliant on imports, while also serving the international markets.

IPM is located on a 230,000 square meter plot in the Industrial City of Abu Dhabi (ICAD) and is the largest producer of printing & writing paper in the MENA region covering around 10% of the MENA market.

CORY'S PLASTIC INDUSTRY

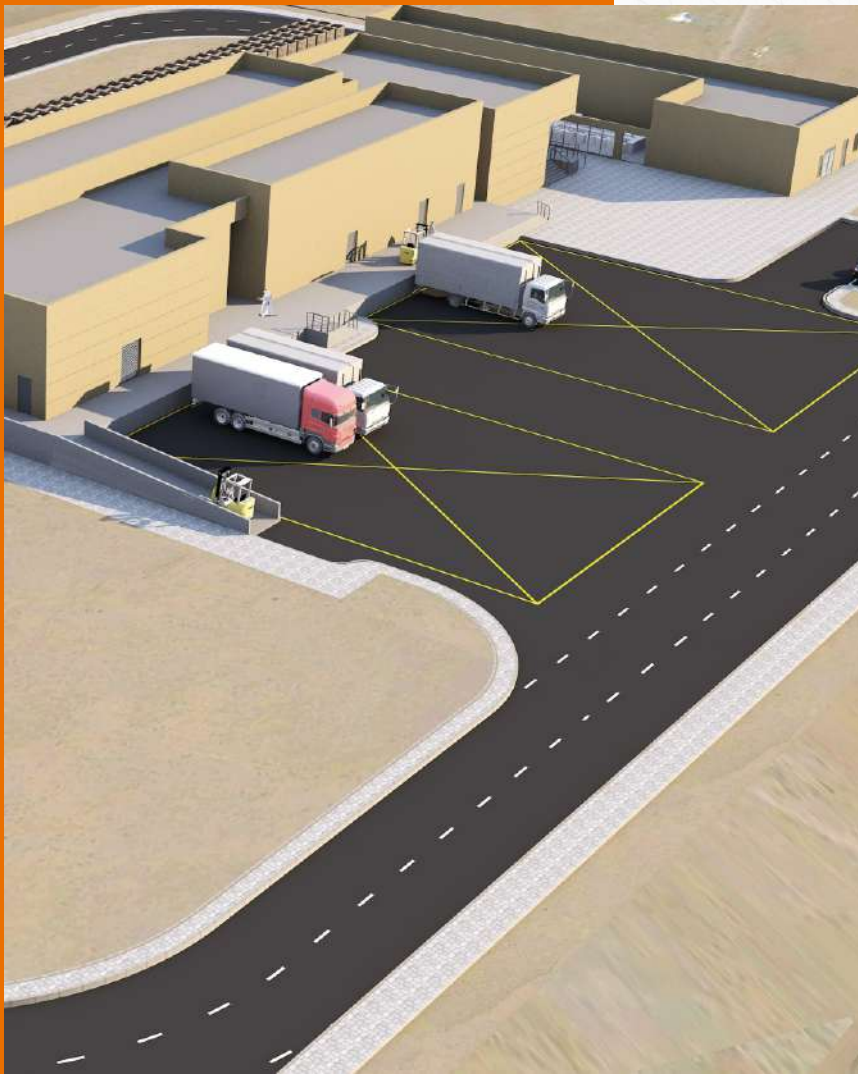

Client : Cory's Plastic Industry

Consultant : M/s. Capital Engineering Consultancy

Main Contractor : M/s. Prompt Steel Building & Contracting

Corys Packaging is a worldwide leader in the packaging business and a developer of comprehensive packaging solutions. Part of Abdul Ghaffar Hussain's Green Coast Enterprises, a private company. Corys Packaging has been in business since 1976 and has a distinct history that influences how the firm operates now. Emirates Technopack LLC and Kangaroo Plastics LLC, both based in Dubai and Hungary, serve the Middle East, Africa, Asia, and Europe markets.

On a site of 26,543.16m², the project comprises PE Fabrication and Storage, PE Production Building, Substation, Chiller Yard, Security Rooms, Visitor Room, and HC & Future Trans. Room. This ensures that there is proper electrical supply and plumbing in the building for the working staff.

PROCESS BUILDING COMPLEX AT TAWAZUN INDUSTRIAL PARK

Client : M/s. Tawazun Industrial Park

Consultant : M/s. Parsons Overseas Limited

Main Contractor : M/s. Force 10 LLC.

Tawazun Industrial Park is a regional hub for strategic businesses offering world-class business infrastructure, proactively addressing the short and long-term needs of international companies and investors wishing to build a Middle East base in a safe and secure environment.

VARIOUS FACILITIES FOR NPCC NEW YARD

Client : Prompt Steel Building & Contracting

Location : ICAD IV, Mussafah – Abu Dhabi

Consultant : Bainona Engineering Consultancy

Main Contractor: Prompt Steel Building & Contracting

NPCC consists of various new facilities such as client office, mess hall, cold stores, warehouses, substations, pumping stations, communication towers and guard houses which can accommodate approximately 250 personnel. Our scope of work is to ensure that the HVAC system in this newly constructed the building is maintained to the optimum efficiency, so it is comfortable surroundings for the workforce to carry out their everyday tasks.

LEADERS MARINE FACTORY

Client : Al Masood For Eng. & Consultant

Location : ICAD II, Abu Dhabi

Consultant : Bainona Engineering Consultant

Main Contractor: Al Masood Engineering

Leaders Marine Factory offers Marine Services and maintenance. Our scope of work is to ensure that the HVAC is kept at the optimum operating levels which will allow the personnel to carry out their work in a pleasant temperature control environment.

H.E. MOHAMMED AHMED ALBAWARDI ALFALACY

Client : General Authority Of Islamic Affairs

Consultant : Al Suweidi Engineering Consultants

Main Contractor: Al Tawasul General Contracting

The Mosque is - One Story Building Consisting Male Prayer hall for 100 people & Male, female prayers with lobbies and male/female toilets and ablutions, Imam house contains Two Bed Rooms with sitting room and one toilet and bathroom, Minaret electrical room, and water tank and pump room.- External Works including walkway, sunshades, and soft landscape.

ADNEC - TAWAZUN CHALET @ IDEX 2015 – 2017 – 2019 & 2021

Tawazun Holding is a strategic investment business specialising in the long-term growth of Abu Dhabi's industrial production, technology, and knowledge-transfer capabilities, with a particular focus on the military industry.

In 2012, Build UP LLC began developing a positive business relationship with Tawazun Holding. Since then, Tawazun has appointed Build Up Exhibition Fixtures LLC as their official exhibition contractor for many local and international trade exhibitions. Several Tawazun booths have been set up at various trade exhibitions. To meet the opening date, Build UP MEP developed and implemented the whole MEP work in this massive Stand in such a short period. The Fresh Air System has been built into the HVAC system.

SAADIYAT RESORT - ATHLETIC CLUB

Consultant : The St. Regis Saadiyat Island Resort

Main Contractor: Emirates Furniture Factory & Decoration LLC

The Saadiyat Resort- Aesthetic Club consists of a large state-of-the-art gym, a juice bar, and a 25-meter indoor lap pool for guests who are health conscious. This exclusive fitness club in Abu Dhabi includes two tennis courts, two squash courts, four swimming pools inclusive of an adult pool, and private seating bays. Our intent is to ensure that in this state of art health clubs and gymnasiums have a comfortable environment and make the patrons feel at ease to workout. We achieve a comfortable and healthy environment by having the HVAC systems running at their optimum level. We always ensure the HVAC systems are serviced on a regular preventive planned maintenance schedule, as per the manufacturers' recommendations which will give a trouble-free system and optimum results for long-term usage. Therefore protecting the client's assets for many years ahead.

99 SUSHI BAR RESTAURANT

Client : M/s. Vindico

99 Sushi Bar & Restaurant is a custom-made Japanese restaurant for the most discerning clientele, offering everything from traditional Japanese cuisine to cutting-edge, inventive inventions. In addition, build Up MEP guarantees that a proper HVAC system is supplied and installed—a solid strategy for keeping employees healthy and productive, particularly in a restaurant.
